Farmingville, NY - On June 14th, Councilwoman Jane Bonner (left) attended the Girl Scout Service Unit 54 Gold Award ceremony at the Sound Beach Fire Department. The honorees, which are all from Rocky Point, were presented with certificates of congratulations from the Councilwoman. Pictured from left to right with Councilwoman Bonner are Kelly McCauley, Kristy Hange and Olivia Weiss.

This Gold Award is the highest honor a Girls Scout can achieve. This prestigious award requires an Ambassador Girl Scout to design and implement a project that serves her community. It must consist of at least eighty hours of service while making a sustainable impact. Each of these outstanding young women have been honored with letters, plaques and awards from local elected officials, legislators and even the White House at a council sponsored event. In addition, each was presented with a flag that was flown over the Capitol.

"I would like to congratulate Kelly, Kristy and Olivia for earning their Gold Award," said Councilwoman Bonner, "Their determination, hard work and community service illustrates that they are true examples of what it means to be a Girl Scout."
