Farmingville, NY – On Saturday, September 12th, Supervisor Romaine and Councilwoman Cartright joined numerous past presidents, board and community members, and other attendees at the Three Village Historical Society's 50th Anniversary Spy Gala. The event was held at the St. George's Golf and Country Club.

Since its inception in the 1960's, the Historical Society has worked with the community to identify, maintain, preserve, and celebrate the rich traditions, culture, homes, and buildings of the Three Village area. The Society has become an integral piece of the community. Residents and visitors rely on the Society to provide information and exhibits that share the area history while also providing entertaining events.

"The Three Village Historical Society plays an invaluable role within Council District One and the entire Town of Brookhaven. It was a pleasure to join so many past Presidents and Board members to celebrate all the ways the Society has contributed to our area through research, education and preservation. We congratulate them on reaching this milestone and look forward to the next 50 years," stated Councilwoman Cartright.

"The history of Brookhaven Town is rooted in the Three Village community where the first settlers came ashore 360 years ago," said Supervisor Romaine. "I congratulate the Historical Society on their 50th anniversary and thank them for keeping our heritage alive."
