Farmingville, NY - On March 21, Deputy Supervisor/Councilwoman Kathleen Walsh was a guest speaker at Centereach High School's 1st Annual Women's "Herstory" event to celebrate Women's History Month. Councilwoman Walsh, who is a graduate of the Middle Country School District, was there as a representative of women in government. "It was a pleasure being part of this wonderful event and meeting so many fine students who will be our future leaders. I thank the students and faculty for inviting me. They did a great job today," said Councilwoman Walsh.

At the event, three students were awarded for their poems and essays that related to this year's theme, "Women Moving Ahead. The winners were Urooj Khan, Danielle Bray and Amanda Petritsch.
