East Patchogue, NY - Supervisor Lesko and Councilwoman Connie Kepert and Greg Miglino of the South Country Ambulance District join CURBY and members of the community for the 2011 Great Brookhaven Cleanup at St. Joseph the Worker Church in East Patchogue. By 9am the church’s parking lot was crowded with volunteers collecting their supplies to venture off into the community and pick up litter on the streets and parks. "What struck me this year is the amount of people participating in the clean-up throughout the 4th Council District. From the south shore in East Patchogue, up through Yaphank, Farmingville, Gordon Heights and Middle Island, both young and old were out in their bright yellow t-shirts beautifying their communities. It was great to see so many people out early on a cold Saturday morning ready to make a difference in their communities."
Yaphank, NY - Kepert joins Brian Heinrichs and Cub Scout Pack 79 at Willow Lake in Yaphank.

Farmingville, NY - Councilwoman Connie Kepert joins Maureen Branco and the Sachem East Environmental Class for the annual Great Brookhaven Clean-Up. "It was great to see high school students from Sachem east rolling up their sleeves and doing their part in the clean up," stated Councilwoman Kepert.
Middle Island, NY - Councilwoman Connie Kepert spends time with the scouts at Bartlett Pond Park in Middle Island.

Gordon Heights, NY - Councilwoman Kepert's last stop was with Wallace Young and friends from the Gordon Heights Sports Parents and Coaches Association to support their clean-up along Granny Road. "The clean-up was a huge success and I'm proud of the residents in the 4th council district for all their hard work!" concluded Kepert.
