Farmingville, NY - On Wednesday, June 17, 2015, Town of Brookhaven Councilwoman Connie Kepert attended the Longwood Middle School Historic Replica Display Event. Historic replicas of Coram, Middle Island, Ridge, and Yaphank were created by Mrs. Holroyd and Mr. Mackenzie's 6th grade classes, as a class project based on the research of Mr. Paul Infranco, and were replicated to depict Coram, Middle Island, Yaphank, and Ridge, as they were in the early 1900s.

"It is so important to bring history alive for both, students, and the community. Congratulations to Mrs. Holroyd, and Mr. Mackenzie's class for providing the entire community with a sense of what life was like in the early 1900's within the communities of the Longwood School District," stated Councilwoman Connie Kepert.
