Farmingville, NY - On May 16, Councilwoman Connie Kepert joined the Longwood Community in their annual Longwood Day celebration. Longwood Day, a celebration the Councilwoman helped to promote as a civic leader, is a day for the community and the schools to come together and recognize the achievements and diversity of the Longwood community. Organizations including school clubs, music groups, scouts, civic associations, and the PTA all take part in the celebration.

"Longwood Day, which began in 1991, is an event that is held every year in an effort to strengthen and build connections among the people and organizations of the Longwood Community," said Councilwoman Kepert. "It is always fun to stop by and meet with all of the great clubs and organizations represented at the event. Thank you to the Longwood PTA for their efforts in putting this event together."
