April 23, 2012

Farmingville, NY - On Saturday, April 28, Councilman Steve Fiore-Rosenfeld and the East Setauket Fire Department will sponsor an e-waste recycling and expired prescription drug drop-off at the Setauket Fire Department located at 190 Main Street in Setauket. The event will be held from 8:00 a.m. to 1:00 p.m. Residents will be able to conveniently and safely discard the following items:

- Computer hardware, printers, keyboards, televisions, fax machines, cell phones, clock radios, stereos and other electronic e-waste.
- Unused or expired prescription medications that can otherwise be a hazard for children.

For residents in the 1st Council District (Three Village and Greater Port Jefferson), this event is a convenient way to dispose of e-waste and old medications. Otherwise they would need to drive to the Town Landfill on Horseblock Road in Yaphank during normal business hours to discard e-waste and drive to the Suffolk County Police Department's 6th Precinct in Selden on Middle Country Road and Route 83 to properly dispose of unused/expired prescription medications.

For more information about the Setauket Fire Department's e-waste recycling and expired prescription drug drop-off, call Fire Commissioner Kevin Yoos at 941-4900 or Councilman Fiore-Rosenfeld's office at 451-6963.
