Farmingville, NY - On September 15th and 16th, Councilwoman Connie Kepert attended the Eagle Scout Court of Honor ceremonies where she extended her congratulations to honorees Dean W. Wissmann and Jacob Heavyside for earning the prestigious rank of Eagle Scout.

For his Eagle Scout project, Dean removed brush and debris, reinforced the foundation, and built a sign board at the original Holy Trinity Lutheran Church in Middle Island. Jacob's Eagle Scout project was to construct new stables for the mustangs at the Town of Brookhaven Wildlife and Ecology Center in Holtsville.

"I commend both Dean and Jacob for their dedication and commitment throughout their years of service to the community. They truly serve as an inspiration to their fellow scouts to work hard and achieve their own goals. These young men are excellent examples of our leaders of tomorrow," said Councilwoman Kepert.
