**Farmingville, NY** - On Saturday, July 7, 2012 Councilwoman Kepert attended the Habitat for Humanity Key Presentation ceremony celebrating the Deacon family as new homeowners.

"There are many things happening in North Bellport to insure that it is a safe and welcoming place for children and families. The Boys & Girls Club will soon open its doors to a wonderful new facility, Robert Rowley Park has been rebuilt and will soon have a spray park for the kids, and the Town of Brookhaven has added lighting, street trees, sidewalks and are working with the Suffolk Police Department to make North Bellport safer. An enormously important part of this effort is rebuilding the community one family at a time, and Habitat for Humanity is a huge part of that effort. Thank you to Habitat, and welcome and congratulations to the Deacon family. This house was built by women. Great job ladies!" stated Councilwoman Kepert.
