Farmingville, NY - The Town of Brookhaven Building Department has established the Project Re-Occupancy hotline number to assist property owners whose homes and buildings have been condemned for occupancy in the aftermath of Hurricane Sandy. This new service is provided to help all mainland and Fire Island residents and business owners to re-occupy structures that have already been, or will be posted unsafe for occupancy.

Those property owners who are affected can call 631-451-9276 or e-mail sandyrebuild@brookhaven.org to speak with a Building Department representative and schedule an appointment. For more information, go to the Town's website at www.brookhaven.org.
