Farmingville, NY - On Sunday, January 6, 2013, Councilwoman Connie Kepert attended an Eagle Scout Court of Honor Celebration at the Middle Island Fire Department where she extended her congratulations to Corey Vogeli, Troop 433’s newest Eagle Scout.

For his Eagle Scout project, Corey managed a crew that built an announcer’s stand at the Selden Centereach Three Village Baseball Complex. The stand is 2 feet in height, located behind the backstop, and used for announcing the lineup, who is pitching, who is up to bat, and plays.

"Congratulations to Corey Vogeli for attaining the highest rank in scouting, the rank of Eagle Scout. I want to thank Corey and his fellow scouts for their outstanding contributions to the communities in which they live," stated Councilwoman Connie Kepert
