Farmingville, NY - On January 11, Councilwoman Kathleen Walsh attended the Eagle Court of Honor for Dylan Russ, which was held at the Farmingville Firehouse. Dylan's Eagle Scout project was rebuilding a section of railing for the bear exhibit at the Holtsville Ecology Site Zoo. In his speech Dylan thanked his family for their support and inspiration, especially his grandfather. He also thanked the employees at the Ecology Site for their assistance while working on his project.

"I am proud to be here for Dylan", said Councilwoman Kathleen Walsh, "Our future looks bright when young men such as he are doing wonderful things for our community. The families who visit the Holtsville Ecology site will appreciate the work you have done and so do I."
