February 8, 2013

Farmingville, NY - Due to the heavy accumulation wet snow and ice, the Town of Brookhaven is urging residents to stay off the roads and park vehicles in their driveways to allow snow plows to clear the roads. Reports from our Highway Department indicate that conditions are extremely hazardous with limited visibility, making driving unsafe, and as the temperature drops this evening, conditions will worsen. Stay tuned to local radio and TV news broadcasts for the most current weather forecasts, news and information.

Please go to the Town's website at www.brookhaven.org for up-to-date snow storm related news, information, weather updates and emergency contact numbers. Residents can also call 451-TOWN to report snow related issues. Call 911 for police, fire and ambulance emergencies only. To report a power outage or downed wires, call LIPA at 800-490-0075 or 631-755-6900, or go to www.lipower.org to make a report online.

The Town will also be sending out e-mail alerts to residents who have registered on our e-mail list. If you are not on the list, you can sign up today at www.brookhaven.org. Residents can also sign up for countywide Code Red alerts at www.suffolkcountyny.gov.
