Farmingville, NY - Town of Brookhaven is urging residents to stay home and off the roads due to hazardous conditions that make driving extremely dangerous. The Town has deployed all our resources to clear the roads of snow and ice and we will continue our efforts throughout the weekend until they are all passable. Many abandoned cars have also caused dangerous driving conditions. The Town asks that if your vehicle has been abandoned, you should make arrangements to have it safely removed as soon as possible so our crews can move freely to clear the snow. Stay tuned to local radio and TV news broadcasts for the most current weather forecasts, news and information.

Please go to the Town's website at www.brookhaven.org for up-to-date snowstorm related news, information, weather updates and emergency contact numbers. Residents can also call 451-TOWN to report snow related issues. Call 911 for police, fire and ambulance emergencies only. To report a power outage or downed wires, call LIPA at 800-490-0075 or 631-755-6900, or go to www.lipower.org to make a report online.

The Town will also be sending out e-mail alerts to residents who have registered on our e-mail list. If you are not on the list, you can sign up today at www.brookhaven.org. Residents can also sign up for countywide Code Red alerts at www.suffolkcountyny.gov.
