Farmingville, NY - On June 14, Councilwoman Kathleen Walsh, was the guest of honor during Flag Day ceremonies at the Eugene Auer Elementary School in the Middle Country School District. Veterans from various organizations were also on hand to pay homage to the flag and receive special honors. The students' family members were also invited.

Addressing the students and guests, Councilwoman Walsh said, "It gives me great pleasure to be your guest here today, but the honor goes to all the men and women who defend our nation, now and in the past. Many are gathered here today and we thank them for the sacrifice they make for us. We thank them for giving us our freedom and defending our flag."

Throughout the semester, the students were taught the history and importance of the American flag and expressed their reverence during the school assembly. Students invited dignitaries and special guests to the event. When the Assembly was finished refreshments were served and many of the Veterans went to assigned classrooms and spoke to the children about their experiences in serving our nation.
