Farmingville, NY - On Wednesday, February 25, 2015, Town of Brookhaven Councilwoman Connie Kepert joined the seniors of the Albert Tinnie Senior Club for their Black History Month luncheon. The event was held at the Gordon Heights Fire Department located at 23 Hawkins Avenue Medford. The program began with a history lesson of the Gordon Heights Community, which was followed by the biographies of African-Americans that were first in their professions. "It is always a great pleasure to attend the Albert Tinnie Senior Club meetings. At this meeting, members shared important and interesting facts about the history of the area and created a wonderful lunch consisting of traditional foods," stated Councilwoman Kepert.
