Farmingville, NY - It was a joyful gathering at the Harrison Hale Community Action Center yesterday for the unveiling of the honorary street sign for community leader Bishop Harrison Hale. "Bishop Harrison Hale and his team provide needed services for residents in the heart of the Gordon Heights Community every day. From the Community Action Center, where programs for our youth and seniors are provided to the Community Café, just down the block, where residents can drop in for a free nutritious meal and now The Home of the Brave which will provide housing for the homeless veterans. Bishop Hale is in the business of serving the needs of the community and this sign is a small token in recognizing his willingness to serve," stated Councilwoman Connie Kepert.

On hand to celebrate the momentous occasion was the esteemed Artice Hale, Assemblyman Hennessey, Assemblyman Ramos, Legislator Calarco, the Gordon Heights Fire Department and Vision Long Island. The sign is located on the corner of Granny Road and Central Parkway in Medford.
