Councilwoman Kepert and Lori Baldass are greet some of their canine friends.

Councilwoman Kepert receives a "thank you" kiss.

Farmingville, NY - On Saturday, July 27, 2013, Councilwoman Connie Kepert took some time off to watch some of her canine residents cool off at the annual Beach Day event at the Middle Island Dog Park.

Beach Day at the Dog Park is always great fun. It's an opportunity for both small and larger dogs to cool off and enjoy a dip in the pool", said Councilwoman Kepert. "Thank you to our Parks Department for all the work they do to set up this day and thank you to the Middle Island Dog Park Committee for holding this wonderful event each year."

After hearing from many residents who were looking for a safe and fun location for their dogs to play, Councilwoman Kepert became a strong advocate for the creation of the dog park, the first of its kind in the Town of Brookhaven. The dog park provides a safe fenced in area with a canine-friendly water fountain. If you are interested in obtaining a Pooch Pass to bring your best friend to the park, please call (631) 451-9101 or visit www.brookhaven.org/Departments/TownClerk/FormsandDocuments.aspx.
