Farmingville, NY - The Town of Brookhaven's Youth Bureau INTERFACE Program's Thanksgiving Food Drive for local families is running now until November 22. The Youth Bureau INTERFACE Program is a partnership between good neighbors and the Town of Brookhaven, united in a common effort to provide help to Brookhaven's less fortunate residents all year round.

Drop off points for the food drive are:

• Brookhaven Town Hall, One Independence Hill in Farmingville
• Henrietta Acampora Recreation Center, 39 Montauk Highway in Blue Point

Suggested food items for donations include all non-perishables including, but not limited to, canned soups, canned cranberry sauce, turkey gravy, stuffing mix, instant potatoes, canned sweet or white potatoes, rice, canned vegetables, jar or canned sauce, macaroni, canned fruit, puddings, jello, cookie mix, cake mix and icing and juice. Due to refrigeration requirements, the Town cannot accept frozen turkeys, however, residents can donate $10.00 Gift Certificates to local supermarkets, enabling a family to purchase a turkey.

Hours of operation for the Town of Brookhaven's Youth Bureau INTERFACE Program's Thanksgiving Food Drive are from 9:00 a.m. to 4:30 p.m., Monday through Friday. For more information contact Josie Lunde at the Town of Brookhaven Youth Bureau at 451-8011 or visit www.brookhaven.org.
