Holtsville, NY - Highway Superintendent Daniel P. Losquadro is reminding residents about the Holiday Spectacular taking place at the Brookhaven Wildlife and Ecology Center, located at 249 Buckley Road in Holtsville. The event is taking place Friday through Sunday from 5:30 p.m. to 9:30 p.m. from December 5th - December 7th, December 12th - December 14th, and December 19th - December 21st. The cost of admission is five dollars. Children three and under are free.

The buildings and greenhouses at the Ecology Site have been transformed into a winter wonderland of spectacular lighted displays. Parents and children can walk through the festive, decorated areas, while engaging in various games along the way.

"This event is something the entire family can enjoy," Superintendent Losquadro said. "I remember taking my family last year and how excited my son was to see all the displays. The staff at the Ecology Site really does an excellent job and takes a lot of pride in making this a part of the Holiday Season in Brookhaven Town."

For further information, please call the Ecology Site at (631) 758-9664.
