Farmingville, NY - On November 9, Councilwoman Connie Kepert (third from left) marched in the Yaphank Fire Department's annual Veteran's Day Parade. The parade gathered at the Yaphank Cemetery and then progressed west on Main Street, ending at the Yaphank Fire Department.

"It was my great pleasure to march in the annual Veterans Day parade. Yaphank is a wonderfully historic community, and its Veteran's Day parade reflects its patriotism, and traditional family values. Veterans Day is the day which honors the dedication and sacrifice of all those who served and I thank all of our veterans," said Councilwoman Kepert.
