Farmingville, NY - On October 15, Town of Brookhaven Councilwoman Connie Kepert joined the members of the Albert Tinnie Senior Club for their reunion luncheon. The event was held at the Gordon Heights Fire Department headquarters. Guest speaker, Lillie Crowder gave an inspirational presentation, including songs and poems. Councilwoman Kepert, took some time to answer questions about projects such as the restoration of the Mott House. The house is now being used as the meeting place of the Gordon Heights Chamber of Commerce and the Longwood Public Library. The Mott House also serves as a classroom for students interested in learning English as a second language.
