Councilwoman Kepert congratulates new Eagle Scout Sean M. Parks

Farmingville, NY - Recently, Councilwoman Connie Kepert attended an Eagle Scout Court of Honor celebration at the Middle Island Fire Department, where she extended her congratulations to Eagle Scout Sean M. Parks of Troop 433. Sean's eagle project was to construct a brick plaza around the central obelisk at Bartlett Pond Park in Middle Island and create four brick walkways that extend out from the plaza to garden quadrants.

"Congratulations to Sean on achieving the rank of Eagle Scout," stated Councilwoman Connie Kepert. "Scouting instills the value of community service in young scouts such as Sean, and he exemplifies that value. His project, along with several other Eagle Scout projects, has helped to create a wonderful sense of place at Bartlett Pond Park."
