Farmingville, NY - On July 19, Councilwoman Connie Kepert attended one of the Town's annual e-waste drive events at the Boys and Girls Club of the Bellport Area. The e-waste recycling events provide an opportunity for residents to properly dispose of old and unwanted electronics so they can be safely recycled. Among some of the items accepted during e-waste drives are televisions, computers, copiers, printers, cell phones, laptops, fax machines, and more. The next e-waste event in the 4th Council District will be held on Saturday, September 6th from 9:00 a.m.-1:00 p.m. at the historic Swezey-Avey House on Mill Road in Yaphank and will include a paper shredding.

"As a service to our residents, Brookhaven's Waste Management Department schedules E-Waste events at different locations throughout the year," stated Councilwoman Kepert. "Residents can also bring their electronic items to the Brookhaven Town Landfill on Horseblock Road in Yaphank at no cost throughout the year. This past Saturday, I thanked Diane Zielenski for taking the time to bring several computer monitors to the parking lot of the Boys & Girls Club to be recycled."
