May 28, 2014

Farmingville, NY - On May 26, Councilwoman Connie Kepert marched in Brookhaven Fire Department's annual Memorial Day Parade. The parade gathered at Bellport High School and progressed through the community to the Brookhaven Memorial Park where a wreath laying ceremony took place. Veterans, active service members, local fire and ambulance companies, the Bellport High School band, the Bellport Clipperettes Dance Team and many more participated in the parade to honor those who fought for our country's freedom and paid the ultimate price.

"Memorial Day is a day when most people enjoy family gatherings and BBQs, and that is wonderful. However, it is also a day in which many around our great town and nation pause to remember what this holiday is really all about; paying homage to those who courageously served this great nation and never returned to loving families and friends," stated Councilwoman Kepert. "Memorial Day is a day we set aside to insure that the bravery, glory, and sacrifices of those who fought and died will never fade from our memories."
