Farmingville, NY - On March 13, Councilwoman Connie Kepert attended a concert presented by the Longwood Central School District, A Celebration of Service…and all that Jazz. Select Longwood musicians from the Junior and Senior High School joined the United States Army Field Band Jazz Ambassadors in a performance of 100 years of jazz history. The Jazz Ambassadors perform across America and throughout the world. The men and women of this internationally-acclaimed organization take great pride in reflecting the excellence of all our nation's soldiers. The free event was a way for the Longwood District to say "thank you" to those who serve the district, including senior citizens, veterans, active military members, volunteer firefighters, PTA and civic leaders, Board of Education members, coaches, scout leaders, and religion teachers.

"It was my great pleasure to attend a concert of the United States Army Field Band's Jazz Ambassadors sponsored by Longwood School District's Music Program," said Councilwoman Kepert. "It was a wonderful experience for all the community members who braved the cold temperatures to attend."
