Councilwoman Walsh Urges Residents To Use Prescription Lock Boxes at SCPD 6th Precinct
posted on 8/4/2010 5:08:39 PM

Farmingville, NY - Councilwoman Kathleen Walsh is pleased to announce the availability of a lock box located at the Suffolk County Police 6th Precinct in Selden for the safe disposal of prescription drugs. According to Inspector Robert Oswald, Commanding Officer of the SCPD 6th Precinct, the secure lock box will be accessible 24 hours a day, seven days a week to all residents wishing to dispose of unwanted prescriptions. Simply place your unused, unwanted prescription pills (no liquids or needles, please) in a ziploc bag and drop them in the lock box located in the precinct lobby. No paperwork or identification is necessary.

Councilwoman Kathleen Walsh said, "Leaving unused prescription drugs in the home is dangerous, especially if there are children around." She continued, "I encourage Brookhaven residents to join Town and police officials an effort to remove unused dangerous prescription medications, especially painkillers, from their homes in this safe, effective manner." The 6th Precinct is located at 400 Middle Country Road in Selden, on the south west corner of the intersection with County Road 83.
