Supervisor Lesko and Town Board to Host Demonstration of New Voting Machines At Town Hall on October 6
posted on 9/13/2010 5:01:12 PM

Farmingville, NY - Supervisor Mark Lesko and members of the Town Board will host a hands-on demonstration of the new ImageCast voting machines at Town Hall on Wednesday, October 6 at 6:30pm. The event will take place in the 2nd floor auditorium and is a good opportunity for voters to become familiar with the new machines, learn how to use them properly and have questions answered by representatives from the Suffolk County Board of Elections. The new ImageCast voting machines will be in use at all polling places in Suffolk County on Election Day, November 2.

"This event will allow our residents to get to know the new voting machines before Election Day, easing the transition from the old to new machines," said Supervisor Lesko. "I thank the Suffolk County Board of Elections for assisting with the demonstration."

The voting machine demonstration is open to all Brookhaven Town residents. Those who plan on attending must RSVP no later than Monday, October 2 by calling 631-451-6260 or visit www.brookhaven.org.
