BROOKHAVEN, NY - Councilwoman Kathleen Walsh recently participated at the 9-1-1 Veterans First Annual Motorcycle and Classic Car Rally. Councilwoman Walsh and James Timms, along with more than 500 who took part, helped to support Long Island Veterans suffering from service connect disabilities.

"Thank you to all who contributed in bringing awareness to Post Traumatic Stress Disorders. Your efforts will be a great comfort to many families that no longer have to feel so alone in their journey. I look forward to working with you all in the future," said Councilwoman Walsh.

Sponsored by 9-1-1 Veterans, the rally began at the Riverhead County Center and ended at Venetian Shores Park in Lindenhurst. The run began at 0900 hours and was led by Brian Dwyer, brother of PFC Joseph Dwyer. PFC Dwyer was a soldier from Mount Sinai who died suffering from the effects of PTSD. For additional information about PTSD, log onto www.heroarmypfcjosephdwyer.com or www.911veterans.com. Pictured above are Councilwoman Walsh and James Timms at the rally.
