**Selden, NY -** Brookhaven Town Councilwoman Kathleen Walsh has announced an opportunity for residents in the Third Town Council District to recycle a variety of electronic items at no cost at a mobile "E-Waste" Recycling event at the Town of Brookhaven Centereach Pool on Saturday, August 22 from 8 a.m. to 1 p.m. in the pool lot. The Centereach Pool is located at Hawkins Road and Hammond Lane in Centereach.

"This is one of several community e-waste recycling events the Town is conducting to make it more convenient for residents to recycle electronics, instead of adding them to the waste stream," said Councilwoman Walsh. "A licensed e-waste recycling company will provide safe processing and recycling of these items, saving taxpayers the significant cost of disposal and increasing the Town's recycling rate. Components will be separated into reusable metals, plastics, glass, and chemical recyclables."

**Items that can be recycled at the August 22 Centereach Pool e-waste recycling event:**

- TV's
- VCR's/DVD players
- projectors, camcorders
- radios/stereos
- PDA's
- pagers
- phones/cell phones
