Councilwoman Kepert Joins Family at Signing of Green Homes Contract

**February 1, 2010, Farmingville, NY** - Middle Island homeowners, Michael and Dina Platti were picked out of a lottery to participate in the Green Homes program which will result in savings on their energy bills. Councilwoman Kepert, who initiated the program, was thrilled to see Michael Platti and his family benefit from the program.

"The Green Homes Program continues to help Brookhaven's hardworking families keep money in their pockets, money that they can spend in the local economy, rather than watch it literally go up in smoke," stated Councilwoman Kepert.

Sarah Anker, the Director of the Office of Energy and Sustainability was on hand as the family met with the Councilwoman and signed the contract. Ms. Anker stated"It's wonderful to see how Councilwoman Kepert's Green Homes Program benefited a young family. This is a great example of how this program is helping to keep young working families in the Town of Brookhaven."
