HAPPENING IN JANUARY

WINTER NATURE PROGRAMS AT CEDAR BEACH

BIRDING ON THE BEACH

JANUARY 12 at 2:00 PM

Join us as we see our overwintering friends with their fluffy feathers. These remarkable creatures are able to retain their body heat as they eat all day to maintain speedy metabolisms. Bring binoculars and dress appropriately. For more information and to register for events, please e-mail Environmental Educator, Nicole Pocchiare at npocchiare@brookhavenny.gov

WINTER WONDERLAND WALKS

JANUARY 19 at 2:00 PM

During these walks we will discuss and observe the stark beauty of the beach and saltmarsh in the cold season. We will explore the effects of snow and ice on the natural environment, discuss wildlife adaptations, identify plants in their winter form, and observe active animals and aquatic winter wetlands.
