A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you have enjoyed the beginning of your 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. December has been a very busy month and I hope you enjoy seeing some of the highlights. I am wishing you and your family a healthy and happy New Year! If you have any questions or concerns, please feel free to contact my office.

SELDEN

I was joined by the Town of Brookhaven Youth Bureau at the new Selden Target to receive a generously donated gift card and multiple toys for our INTERFACE Holiday Toy Drive. Thank you so much to store manager, Jackie, and the rest of the Target team for helping spread joy to the children of less fortunate families

The Centereach Pool Complex completed by our Parks Department finished up work on the latest project at the complex. These improvements included resurfacing the tennis courts area, newly painted courts and new lining to allow resident to play tennis as well as pickleball.

RONKONKOMA

As many of you may know Monica Matt is developing a long term management plan for Lake Ronkonkoma. Please provide your input about the future of the Lake by answering her management survey: https://docs.google.com/forms/d/e/1FAIpQLSdybmXxFHWAlNAUj4_QJmlenL63k4ldbSp8cCbtgaV_Z9dGLw/viewform

FARMINGVILLE

At the December 20th Town Board Meeting, a public hearing was held to consider raising the age that our Youth Bureau recognizes "youth" from 18 to 24 years of age. The new Town Code amendment was unanimously adopted. Recently, many college age students have requested the assistance of our Youth Bureau, but unfortunately they were aged-out of our programs. Now, they have another place to go for support and guidance in times of need. To learn more, call 631-451-8011
