COUNCILMAN, DISTRICT 3

Update!

## A MESSAGE FROM THE COUNCILMAN

*Dear Friends,*

*I hope you have enjoyed the beginning of your 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. January has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.*

## CENTEREACH

*This month I got to meet Centereach High School's January Student of the Month, Rebecca Walsh. This impressive student serves as Senior Class President and Secretary of the Leaders Club, along with playing violin for the Chamber Orchestra. Rebecca is a bright, well-rounded student and I wish her continued success as she completes her last year of high school.*

## RONKONKOMA

*It was an honor to join residents and fellow elected officials for the re-installation of the Michael Murphy Monument in Ronkonkoma. A big "thank you" to all of the businesses who donated their services to recreate the monument. It has been amazing to see the community rally together after this awful act of vandalism.*

## FARMINGVILLE

*I was proud to swear Michael Wentz as president and Marisa Pizza as Director of Membership for the Farmingville Hills Chamber of Commerce, Inc. Thank you for everything you do in the Farmingville area and for helping businesses and the community prosper.*
