Shirley

In keeping with my promise to help rid our neighborhoods from blighted and unsafe structures, I am happy to report this vacant home on West End has been demolished.

Gordon Heights

I had the wonderful honor to participate in the 2nd Annual Black History Event with the Gordon Heights Fire Department. This program was a great celebration full of history and community pride.

Yaphank

Had a fun time speaking with the Yaphank Senior Club at the Yaphank Fire Department. I'm always happy to share updates from the community and address any concerns our residents have.

Bellport

Congratulations to the Elmasri Family, as we joined the folks from Habitat for Humanity and the supporting volunteers, to begin the construction on their future new home. We look forward to being there to join you as you receive your keys.
