

Town of Brookhaven Long Island

Edward P. Romaine, Supervisor

Dear Organization:

I would like to take the opportunity to introduce myself as the Liaison to the Town of Brookhaven's Disability Task Force. The Task Force is hosting its **2nd Annual Youth Abilities Resource Day** on Saturday, April 27, 2019 at the Middle Country Public Library in Centereach from 11:00 am-2:00 pm.

The Disability Task Force is contacting local organizations with ties to the disability community such as yourself, to request your assistance in targeting and encouraging residents to participate in this event. During the event, there will be resource tables for many different organizations to share their information and services that they offer, as well as inclusive activities throughout the day for children and their families to participate. I am pleased to say that last year's event was well attended by over 400 residents and over 40 participating organizations.

Attached is the flyer for the event in English and Spanish. We are encouraging residents to pre-register at www.brookhavenny.gov/yad. Pre-registering will provide us with the opportunity to identify our audience to ensure that we have appropriate resources and activities. Please share the attached flyers with the families in your community that may be interested.

If there is an activity that you think may be appropriate for the families in your community, the Disability Task Force and I welcome your feedback.

Thank you in advance for your assistance in this matter.

Sincerely,

Clifford Hymowitz
