

KEVIN J. LAVALLE  
COUNCILMAN, DISTRICT 3

Update!

## A MESSAGE FROM THE COUNCILMAN

*Dear Friends,*

*I hope you have enjoyed the beginning of your 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. March has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.*

*KJL*

## SELDEN

*I had the pleasure of honoring Michael Pam, of Michael Pam's BlackBelt Champions, as Business of the Month for providing the youth of our community with a place to build confidence through Tae Kwan Do and other martial arts for nearly 26 years.*

## CENTEREACH

*I joined representatives from the Middle Country Chamber of Commerce, Legislator Muratore and residents to welcome Goldfish Swim School to Centereach Mall. Goldfish Swim School has 90 locations across the country and this is their first facility in Suffolk County. The facility looks great and I wish them the best of luck!*

## RONKONKOMA

*I made my way over to Lake Ronkonkoma to participate in the 29th annual Ronkonkoma St. Patrick's Day Parade. I had a great time celebrating with the community.*

## FARMINGVILLE

*Last month we demolished a blighted house at 53 Radburn Drive in Farmingville. These abandoned homes are not only an eyesore to the community, but are also unsafe and lower property values for nearby homeowners. Working with residents we will continue to identify and rid neighborhoods of these dilapidated, abandoned homes in the 3rd Council District.*
