COUNCILMAN, DISTRICT 3

Update!

## A MESSAGE FROM THE COUNCILMAN

*Dear Friends,*

*I hope you have enjoyed the beginning of your 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. February has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.*

*KJL*

## CENTEREACH

*At the last Centereach Civic Association meeting I was happy to work with our Waste Management Department to help provide a presentation on the recycling changes in Brookhaven Town as well as giving me the opportunity to discuss other upcoming projects in the area.*

## RONKONKOMA

*Congratulations to Bryan Karp for being February Business of the Month! Bryan is not only the top real estate sales agent in Suffolk County (#1 on Long Island for RE/MAX) but he is also extraordinarily generous to the community. This year, Bryan gave away \$5,000 to Literacy Nassau, Services for Individuals with Disabilities, and Nassau/Suffolk Autism Society of America.*

## FARMINGVILLE

*I have recently worked with our Public Information Department to develop a new online "Constituent Concern" form to make contacting my office about concerns in your neighborhood even easier. This new online form gets sent directly to my office and ensures that I have the information needed to respond efficiently and effectively to your concerns.*
