### *Middle Island*

Another successful recycling event held by my office at the Longwood Middle School. Happy to report a turnout of over 150 residents in which, 7,520 lbs. of documents were shredded and 5,532 lbs. of e-waste recycled. Also, 7 large boxes of expired/unused meds were collected by our Suffolk County Sheriffs Dept.

### *Medford*

Thank you to PSEG for an exciting beautification project at Wave Ave Park in Eagle Estates. Over 75 volunteers planted new trees and flowers, to help bring the beauty of the park to another level for all our families to enjoy.

### *Ridge*

Had a blast at the Ridge Civic Annual Easter Egg Hunt at the Ridge Community Park. Over two thousand eggs were filled with goodies and hidden, for all the kids that attended to find. Always a great family event for all ages. Thank you to the Ridge Civic for another great event.

### *Coram*

Myself, along with Councilwoman Bonner, attended the demolition of the 'Old Coram Swap and Shop'. This was a long time vacant and blighted structure in the community. Thank you to the Coram Civic for their dedication and advocacy.
