COUNCILMAN, DISTRICT 3

Update!

A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you have enjoyed the beginning of your 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. May has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.

SELDEN

I knocked down the abandoned house at 38 Park Hill Drive in Selden. Vacant homes like this become dangerous eyesores to our neighborhoods and I will continue to work with residents to rid Council District 3 of these blights in our community.

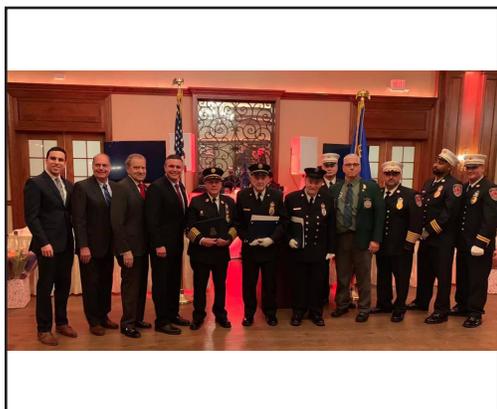

CENTEREACH

I attended the Opening Day Celebration of the 2019 "Super" Senior Softball season where I was privileged with throwing the first pitch at the Middle Country Athletic Fields. Thank you to Town of Brookhaven Parks and Recreation for all of your work with the league and good luck to all the players.

RONKONKOMA

I had a chance to participate in the Great Brookhaven Cleanup with various local organizations across District 3. At Lake Ronkonkoma, I met up with members of LRCO, LRIG, and Sachem Youth.

FARMINGVILLE

I had the opportunity to congratulate the newly installed officers and thank all of the members for their service to our community at the Farmingville Fire Departments 88th Annual Installation Dinner.
