## Community Spotlights

**Jane joined the Rocky Point Sound Beach Chamber of Commerce to celebrate the grand opening and ribbon cutting at the new Maui Chop House located at 49 Route 25A in Rocky Point. This new restaurant offers a variety of Hawaiian and Pacific cuisine in a casual atmosphere.**

On June 4, Jane visited Carrabba's Italian Grill in Smithtown to thank Grassroots Self Direction program and generate awareness for their work with special needs people.

Grassroots Self Direction is a support brokerage for adults and children with special needs who have chosen to participate in a home and community-based waiver service called "Self-Direction." The participants work on goals that are important to them while working with the support staff who are trained to help them meet their goals. For more information please contact [grassrootselfdirection@gmail.com](mailto:grassrootselfdirection@gmail.com)

On June 19, Jane Bonner attended the Mount Sinai-Miller Place Chamber Alliance Scholarship Dinner at TD Bank in Mount Sinai. The event was held to honor scholarship winners Mackenzie Roach from Miller Place and Jonah Yonks from Mount Sinai. Jane presented Certificates of Congratulations to the scholarship recipients.
