COUNCILMAN, DISTRICT 3

Update!

A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you have enjoyed the beginning of your summer 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. June has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.

SELDEN

I got to honor an outstanding student from Newfield High School, Noah Albarracin, as Student of the Month. Noah is an impressive young man who truly deserves this recognition and I wish him the best of luck as he finishes his senior year!

CENTEREACH

I was honored to speak at Jericho Elementary School's 5th Grade Moving Up Ceremony this morning. It is always special for me to be a part of this event. Thank you to all the teachers, staff, and parents who help make this event possible, and I wish all of these graduating 5th grade students the best of luck as they move onto middle school!

LAKE GROVE

I was happy to co-host another successful blood drive with Legislator Leslie Kennedy and Mayor Scottaline at the Village of Lake Grove Community Center. Thank you to the New York Blood Center for providing the staff to make this blood drive possible, and to all those who came out to donate - including Suffolk County Comptroller John Kennedy Jr.!

FARMINGVILLE

Had a great day talking to residents at the 8th annual Farmingville Street Fair. Thank you to the Farmingville Hills Chamber of Commerce, Inc. for hosting this great event and all of the vendors and residents who came out!
