B.	Annual Plan.
-----------	---------------------

B.1

Revision of PHA Plan Elements.

(a) Have the following PHA Plan elements been revised by the PHA since its last Annual Plan submission?

Y N

Housing Needs and Strategy for Addressing Housing Needs.

Due to the extremely high cost of living on Long Island, there continues to be a significant lack of quality, affordable housing throughout Suffolk County. We continue to ensure that voucher holders initially and upon move in do not exceed 39.9% of their adjusted income to pay their rent, while maintaining a payment standard in accordance with fair market rent. We continually work with landlords, nonprofit housing organizations and the community to increase housing options and availability, however, affordable housing is unattainable for low-income and extremely low-income families as they fail to meet the eligibility requirements. Single parents, the elderly, the mentally-ill and the disabled continue to be adversely affected in disproportionate numbers as there is an increase in single room occupancy throughout the county and overcrowding in homes of those receiving social services. Unfortunately, most units that are available, particularly for larger families, continue to be in low income areas. The units voucher holders tend to find the most difficult to secure is 4-5 bedrooms, which do not participate in the program often. We find that many current landlord participants have had a positive experience with the Town of Brookhaven and are adding additional units. We will continue our outreach to current and prospective landlords, many of whom own multiple properties.

We will continue to participate as a member of the Association of Long Island Housing Agencies (ALIHA). The Town of Brookhaven PHA continues to work with developers and builders to ensure that new projects have at least 10% affordable units, in accordance with Town Code, in an effort to address housing needs for single person voucher holders, particularly the elderly.

In the upcoming year, we will continue to issue new vouchers to families on the waiting list (3-5 per month) as vouchers become available. The PHA is anticipating opening the waiting list in 2020 which will afford the opportunity to many to obtain affordable housing in the future. We will continue to update our current list to reflect applicant's most recent information, and issue vouchers as our budget allows.

Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.

The Town of Brookhaven PHA has a policy granting a residency preference for families that reside in the Town or includes a family member that works within the Town. A preference is also given for working families where the head, spouse or sole member is employed. However, an applicant where the head and spouse or sole member is a person age 62 or older or is a person with disabilities will also be given the benefit of this preference. In order to maintain the requirement that extremely low- income (ELI) families make up at least 75% of the families admitted to the HCV program during the fiscal year, the PHA will select an ELI family ahead of other families on an as-needed basis.

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with the PHA's hierarchy of preferences, if applicable. Within each targeted funding or preference category, families will be selected in numerical order based on the numbers that were assigned to each application, by lottery, at the time the applications were placed on the waiting list.

Financial Resources.

Financial resources for the Housing Choice Voucher Program and the Family Self-Sufficiency Program are provided solely from HUD.

Rent Determination.

The policy of the Town of Brookhaven PHA for rent determination is that each participant contributes between 30-39.99% of their adjusted income at initial lease up and upon moving. The minimum tenant rent is \$50.00. All rents meet the rent -reasonable tests.

Rent reasonableness is determined by comparing comparable units by bedroom size within the defined market area. Market areas may be defined by zip codes, census tract, neighborhood, and identifiable natural or man-made boundaries.

Operation and Management.

The Town of Brookhaven PHA is overseen by a Commissioner and the Deputy Commissioner, appointed by the Town Board, and the Housing Choice Voucher program is run directly by the Rental Subsidy Program Coordinator. Directly under the Coordinator is the Rental Subsidy Program Technician, two full-time Rental Subsidy Program Assistants, one full-time Senior Office Assistant, one full-time Spanish-Speaking Office Assistant and four part-time office assistants. Funding is overseen by an Accountant with the assistance of a Senior Account Clerk and an Account Clerk Typist. All staff serve as employees of the Town, and are part of the civil service union, with the exception of the Commissioner and Deputy Commissioner, and the Family Self-Sufficiency Program Coordinator.

Other programs under the Town of Brookhaven Department of Housing and Human Services that receive federal funding are:

- Community Development Block Grant
- HOME Investment Partnership
- Housing Opportunities for Persons with Aids/HIV
- Emergency Solutions Grant

	<p><input type="checkbox"/> <input checked="" type="checkbox"/> Informal Review and Hearing Procedures.</p> <p>Each tenant is provided with a copy of the informal review and hearing procedures in their initial housing packet, and their annual appointment, which is signed by the head of household and all other adult members of the household. In accordance with our Administrative Plan and HUD guidelines, the Town of Brookhaven PHA must provide prompt written notice of the reason for the decision to terminate, and a statement that allows the tenant to request an informal hearing on the decision. The family then has the opportunity to review any and all PHA documents relevant to the hearing at least 48 hours prior. Hearings are conducted by an outside party, and the hearing is conducted in the presence of a stenographer. The tenant is then notified of the decision of the hearing officer within a reasonable timeframe.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Homeownership Programs.</p> <p>The Department of Housing and Human Services continues to operate a down payment assistance program for eligible first-time homebuyers in the Town of Brookhaven through the HOME Investment Partnership Grant.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Self Sufficiency Programs and Treatment of Income Changes Resulting from Welfare Program Requirements.</p> <p>The Town of Brookhaven PHA operates the Family Self-Sufficiency (FSS) Program that currently has 33 active participants, 23 of whom have escrow accounts. Together with the FSS Coordinator, a plan is developed based upon the family's needs and goals. This plan details the support services and activities needed to assist the family in reaching a level of self-sufficiency. Some needs range from transportation to work or school, emergency child care, counseling services, returning to school to obtain a high school equivalence, technical license or a college degree, obtaining a higher paying job, career training and financial and homeownership counseling.</p> <p>For the past several years, the PHA has collaborated with the Town of Brookhaven's Youth Bureau to provide FSS families with school supplies, Thanksgiving food baskets, Christmas toys, Prom dresses and the opportunity to enroll their children in an affordable summer camp. Our female participants have benefited from the programs and services that Dress for Success Brookhaven offers which is located in the same building as the PHA's office. Dress for Success Brookhaven suits the participants for interviews as well as provides one-on-one career counseling to assist with developing or updating a resume and cover letter and group career counseling through their Going Places Network Program and Career Edge Program. In addition, all participants are encouraged to take a financial literacy class before graduating from the program. Participants are required to meet with the FSS Program Coordinator at least once annually and remain in communication regarding the progress of their goals throughout the term of the FSS Contract of Participation.</p> <p>The FSS Program Coordinator regularly attends the Program Coordinating Committee (PCC) meetings on a quarterly basis. The PCC membership is comprised of representatives from each PHA in the Partnership and local agencies responsible for carrying out workforce training programs, public education and training institutions, child care providers, non-profit service providers, social service agencies and other public and private organizations that all have a mission to provide supportive services to our residents. Attending PCC meetings regularly provide the FSS Coordinator with the benefit of partnering with different service providers, which in turn helps better assist the FSS families.</p> <p>Successful completion of the FSS Program occurs when the FSS family is free from welfare assistance for at least 12 consecutive months and the head of household is gainfully employed full-time for at least 6 consecutive months. In addition, all the goals in their Individual Service and Training Plan (ITSP) must be completed. Upon successful completion of the FSS Program, the family is entitled to any escrow that they may have accumulated throughout their participation in the program, without restrictions on the usage of the funds.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Substantial Deviation. <input type="checkbox"/> <input checked="" type="checkbox"/> Significant Amendment/Modification.</p> <p>(b) If the PHA answered yes for any element, describe the revisions for each element(s):</p>
