A MESSAGE FROM THE COUNCILMAN

Dear Friends,

We still have half the Summer left to have fun and we hope you are enjoying the warm weather! I have included a few highlights of some of the things I did this past month in this newsletter. We have a bunch of great events planned in the town and we hope to see you and your family enjoy them.

When you have a moment, please visit our town website for a complete list of all town wide events. Visit us at: BrookhavenNY.gov If you have any questions or concerns, please feel free to contact me directly at my office at 631.451.6968. Coram

Community Unity was on display as residents, businesses and leaders in our community worked together to help support a local resident and business owner who is battling cancer. The event raised over \$18,000.00 to help with medical expenses. I was proud to have been the Emcee of the event and work with such amazing people. Thank you to the Coram Fire Dept. and all the volunteers.

Middle Island

Once a longtime vacant and blighted location at the corner of Middle Country Road and Rocky Point Road, will now be home to a state of the art 7-11. We held a golden shovel ground breaking ceremony to welcome the start of construction of this project.

Bellport

Bellport Day is always a fun day for residents and a great way to meet and speak with folks in my council district. This family friendly event had many different vendors, crafts, music, food and entertainment for all ages. Great job once again by the Bellport Chamber of Commerce, the Bellport Fire Dept. and the Village of Bellport.

Middle Island

It was my pleasure to welcome the new restaurant "Meltology" to Middle Island. We are excited and wish Kevin and his staff many years of success here at this location. Thank you to Middle Island Civic for joining us with the ribbon cutting.
