A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you and your family enjoyed your Summer! September is always a busy month for everyone, as many of us start back to school. I hope you take some time to join us at the upcoming events that we have planned throughout the town.

In this newsletter, I have included a few highlights of some of the things I did this past month. We hope to see you and your family continue to explore and visit new sites in the Town of Brookhaven.

When you have a moment, please visit our town website for a complete list of all town wide events. Visit us at: BrookhavenNY.gov

If you have any questions or concerns, please feel free to contact me directly at my office at 631.451.6968. You can also follow us on facebook @councilmanMichaelALoguercioJr. for even more information.

Sincerely,

A handwritten signature in black ink that reads "Michael".

Neighborhood News

September 2019

Brookhaven

Another blighted and unsafe structure removed on Strawberry Lane. This home posed several safety concerns for the nearby residents and was demolished in accordance with our town code. The neighbors were relieved that this eyesore was removed from their neighborhood.

Bellport

Proud to rename part of Martha Ave, in the name of Mark W. Gajewski. Mark was a Marine, husband, father, hero and community advocate, who lost his life to a 9/11 related illness. This day reminded us all of the selfless acts of kindness he gave to others. Joined by Supervisor Romaine, Assemblyman DeStefano and Legislator Sunderman.

Gordon Heights

Great time at the Gordon Heights Fire Department Barbeque. Joined by Supervisor Romaine, we had the opportunity to once again personally thank all of the members, for their committment and dedication to keeping the residents in the community safe.

Yaphank

It was my pleasure to thank Kyle Okon of Troop 79, for the design and build of his Eagle Scout project for the "Yaphank Community Bulletin Board". Located near the gazebo on the corner, this addition will give an opportunity for residents to see information on upcoming events around the community.
