

KEVIN J. LAVALLE
COUNCILMAN, DISTRICT 3

Update!

A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you are enjoying the remainder of your 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. The Fall season has been very busy and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.

K. J. L.

November 29 • Thanksgiving Weekend • Town Hall Closed

SELDEN

It was my pleasure to Join Legislator Tom Muratore and Brookhaven Town Supervisor Edward P. Romaine at the St. Joseph's Village Senior Clubhouse for a flag presentation ceremony of the Suffolk County and Brookhaven Town flags. Additionally, we provided the club with a brand new American flag for their clubhouse.

CENTEREACH

Two Girl Scouts, Madison and Alexa, contacted my office to have a handicap swing installed at Gary Adler Park. I was proud to take part in a Ribbon Cutting Ceremony for the newly installed swing. Their efforts brought them one step closer to earning their Bronze Award.

RONKONKOMA

It was my privilege to attend the annual Veterans Appreciation Luncheon at Windows on the Lake in Ronkonkoma. It is always an honor to speak with and support the various veterans organizations across this community. Thank you to all of our veterans for attending and for your service to this country.

FARMINGVILLE

Happy to announce that we have broken ground on an approximately 2.4 megawatt solar car canopy that will be constructed at the Long Island Community Hospital Amphitheater. The solar structure will provide clean energy to local residents and support the Town's Green Energy Initiative.
