COUNCILMAN, DISTRICT 3

Update!

## A MESSAGE FROM THE COUNCILMAN

*Dear Friends,*

*I hope you are enjoying the rest of 2019! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. November has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.*

## SELDEN

*Happy to attend the Ribbon Cutting for the new SUNY Empire State College building on College Road in Selden. Thank you to the entire Empire College team for their investment into our community and for putting together this event.*

## CENTEREACH

*I stopped by the Middle Country Public Library for their annual Veterans Resource Fair where over 40 organizations attended to help educate our local veterans on the different resources available to them. Thank you to the library for hosting this yearly event, and to all of our veterans for your service to this country.*

## RONKONKOMA

*It was my privilege to attend the annual Veterans Appreciation Luncheon at Windows on the Lake in Ronkonkoma. It is always an honor to speak with and support the various veterans organizations across this community. Thank you to all of our veterans for attending and for your service to this country.*

## FARMINGVILLE

*I had the pleasure of meeting Benjamin Luckow to honor him as November Student of the Month at Sachem High School East. He not only serves as Student Government President, but he is also a member of Honor Society, Chess Club, and the Varsity swimming team. Benjamin is a very impressive young man and I wish him the best of luck in his future endeavors.*
