January 2020

### *Farmingville*

On January 6th, I was proud to be sworn in for my third term as Councilman. My son Devin administered the Oath of Office, as my daughter Jessica held the family bible and by my side was my girlfriend Amanda. This was a very special occasion and one that I am very proud of.

### *Middle Island*

Proud to once again meet with students of the Longwood Middle School 5th and 6th Grade Robotics Teams. These young folks did several presentations focusing on some ideas for the community. I was extremely impressed with the indepth research and hard work they put into this project. Great job done by all of the students and their coaches.

### *Bellport*

As a member of the Bellport Chamber of Commerce, it was my honor, along with Mayor Fell and Legislator Rudy Sunderman, to install the new officers. Thank you to all the out going officers for their dedication to the business community in Bellport and I look forward to continuing to work closely with the chamber for years to come.

### *Coram*

I was honored to attend for my third year in a row the Unity Walk in memory of Dr. Martin Luther King Jr. In the large turnout were community members, students, teachers and administration from Longwood School District. Thank you to MITA, Longwood School District and the Coram Fire Dept. for a very meaningful event.
