COUNCILMAN, DISTRICT 3

Update!

## A MESSAGE FROM THE COUNCILMAN

*Dear Friends,*

*I hope you are enjoying the beginning of your 2020! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. January has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.*

*K. J. Lavalle*

## SELDEN

*I had a chance to visit multiple Civic Association meetings last month including the Selden Civic which was very well attended. Thank you to the Selden Civic for allowing me to speak and to all of the residents who came out to ask questions.*

## CENTEREACH

*I attended the The Greater Middle Country Chamber of Commerce Awards and Installation where I was honored to swear in the 2020 board members. Thank you to the Middle Country Chamber for all of your work in this community and for putting on this great event, and congratulations to all of last month's award recipients and new board members!*

## RONKONKOMA

*Last month demolition began at the former Newton's Garage site after an unfortunate fire. As far as the future of the site goes the property owner has expressed an interest in rebuilding the garage but nothing is set in stone yet. More information to follow over the next few months.*

## FARMINGVILLE

*Recently, I had a chance to swear in some of the board members of the Farmingville Hills Chamber of Commerce, Inc. I wish the whole board the best of luck in 2020 and look forward to your street fair in June!*
