

KEVIN J. LAVALLE
COUNCILMAN, DISTRICT 3

Update!

A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you are enjoying the beginning of your 2020! As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; potholes, graffiti covered street signs, building code violations, waste management issues, etc. You are our eyes and ears in the community. January has been a very busy month and I hope you enjoy seeing some of the highlights. If you have any questions or concerns, please feel free to contact my office.

SELDEN

Last month we demolished the blighted commercial building located at 23 North Evergreen Drive in Selden. Working with residents we will continue to identify and rid neighborhoods of these dilapidated, abandoned structures in the 3rd Council District.

CENTEREACH

I had a chance to stop by a few civic meetings in my area to provide updates and answer questions about what is going on in Council District 3.

RONKONKOMA

Recently, a mural depicting some of the history of Lake Ronkonkoma was vandalized. Neil Foley and I joined members of the Lake Ronkonkoma Improvement Group (LRIG) to repaint the mural. Always amazing to work with LRIG.

FARMINGVILLE

Last month I was visited at Town Hall by Cub Scouts Pack 362. I was happy to help these boys fulfill their requirement for the “Building a Better World” award pin by teaching them about my job as a Councilman and discussing what is going on in our community.
